

## Chieftain Sofa

Designer: **Finn Juhl**

Manufacturer: **House of Finn Juhl**

£23,368

## DESCRIPTION

**Chieftain sofa by Finn Juhl for House of Finn Juhl.**

The Chieftain is an icon of Danish furniture and bears all the hallmarks of Finn Juhl's inspired approach to design. A modern take on the colonial chair, the Chieftain draws its inspiration from art, customs, and weaponry from foreign shores. Its shield-like back and comfortable low seat appear to almost float in the space between the hardwood frame, maintaining its visual lightness.

The Chieftain sofa was designed in 1949 and first presented at the Cabinetmakers Guild Exhibition. Whilst the Chieftain Chair went on to wider production, the sofa displayed at the exhibition was the only known example to exist until Onecollection's relaunch of this rare piece.
