DESCRIPTION

High Rise Carafe by **Keiji Takeuchi** for **Ichendorf Milano**

Keiji Takeuchi's High Rise minimalist collection takes inspiration from the construction of skyscrapers. The High Rise carafe features two connecting borosilicate glass elements, the inbound curves both delineate the level to fill the carafe while offering an ergonomic point at which to hold it.

DIMENSIONS

Clear - 750ml

MATERIALS

Glass

High Rise tumblers are also available in an array of colours and neatly stack into the neck of the carafe, acting as its lid.

Available in clear (large).

All Ichendorf pieces are hand-blown and produced by hand in Italy. Handwash only.
