High Rise tumbler

Designer: **Keiji Takeuchi**

Manufacturer: **Ichendorf Milano**

£17.50

Stock Information.

DESCRIPTION

High Rise tumbler by **Keiji Takeuchi** for **Ichendorf Milano**

The High Rise tumbler is a finely made, tinted drinking glass well suited for both daily use or formal occasions.

Unlike the majority of coloured glasses, the High Rise tumblers are dyed during the melting process, meaning that their colour will not fade.

The High Rise tumbler can be stacked on top of the **High Rise carafe** functioning as its lid.

DIMENSIONS

8dia x 7.8 cmh

Capacity 30cl

MATERIALS

Glass

Available in smoke and amber.

All Ichendorf pieces are hand-blown and produced by hand in Italy. Handwash only.
