

Naviglio Collins Gin Glass

Designer: **Keiji Takeuchi**

Manufacturer: **Ichendorf Milano**

£23

DESCRIPTION

Naviglio Collins Gin Glass by **Keiji Takeuchi** for **Ichendorf Milano**.

Designed by Keiji Takeuchi, the Naviglio collection of glassware is dedicated to enhancing the drinking experience of Japanese distillates.

The Collins Gin Glass is a simple yet refined highball glass ideal for serving dry gin. The gently flared opening allows the sweet notes to be appreciated, while a thick base highlights the brilliance of crystal.

DIMENSIONS

6.5dia x 15.5cmh

MATERIALS

Lead free crystal glass.

All Ichendorf pieces are hand-blown and produced by hand in Italy.

Dishwasher safe at low temperatures (40° recommended).
