

Andalusia Jug

Designer: **Mario Trimarchi**

Manufacturer: **Ichendorf Milano**

£34

DESCRIPTION

Andalusia Jug by **Mario Trimarchi** for **Ichendorf Milano**.

The Andalusia Jug, crafted by Ichendorf Milano, is formed of a simple cylindrical vessel hand-blown in clear glass and features a stunning handle of coloured glass.

The handle changes colour from green to a glowing orange as it climbs towards the hot sun, inspired by the Southern Spanish region from which it takes its name.

DIMENSIONS

9dia x 20cm

MATERIALS

Clear and coloured borosilicate glass.

Hand-made and flame-worked in Italy.

Dishwasher safe at low temperatures (40° recommended).
