

Rainbow candleholder

Designer: **mist-o**

Manufacturer: **Ichendorf Milano**

£37

DESCRIPTION

Rainbow candleholder by **mist-o** for **Ichendorf Milano**.

An elegant glass candleholder made of mouth-blown borosilicate glass, with an asymmetrical shape and contemporary colour scheme.

Ichendorf Milano uses a unique manufacturing process in which the glass is dyed-through during the manufacturing process. This ensures the colour does not fade over time.

DIMENSIONS

Medium: 24cmh

Large: 29cmh

MATERIALS

Mouth-blown borosilicate glass.

All Ichendorf pieces are handmade and produced by hand in Italy.

Available in two sizes in grey, pink and amber glass.
