

Collective Tools butter knife

Designer: **Antonio Citterio**

Manufacturer: **Iittala**

£19

DESCRIPTION

Tools butter knife designed by **Antonio Citterio** for **Iittala**.

Part of the Collective Tools series, the Tools butter knife echoes the same design principles. Citterio's stainless steel utensil features a contoured handle, which sits comfortably in the hand and a wide head to perfectly glide through butter.

MATERIALS

The Tools collection is made of a sandwich of aluminium encased on both sides by stainless steel.

Dishwasher safe.
