

Tools casserole, 1998

Designer: **Bjorn Dahlstrom**

Manufacturer: **Iittala**

£315

DESCRIPTION

Tools casserole by **Bjorn Dahlstrom** for **Iittala** part of the Tools range.

The Bjorn Dahlstrom range of pans marries a simple and bold design aesthetic with a considered construction.

The heat distribution through aluminium allows for professional quality cooking performance.

Hardwearing and functional, the design has quickly achieved classic status.

Designed in Finland and made in South Korea.

DIMENSIONS

5L, 22dia x 15cmh

MATERIALS

The Tools range is made of a sandwich of aluminium encased on both sides by stainless steel.

Suitable for gas, electric and induction ranges. Oven safe. Dishwasher safe.
