

Acorn Vase

Manufacturer: **Ilex Studio**

£28

DESCRIPTION

Acorn Vase by **Ilex Studio**.

The simple undulating glass vase allows you to track the growth of an oak tree, it is perfect for bringing nature into the city or to educate children.

Witness your little acorn transform, helped by a twenty-page booklet which guides you through, how to germinate and care for the seed.

The Acorn vase is made from borosilicate glass and is available in a clear finish. Both the packaging and handbook are printed on recycled card and paper.

DIMENSIONS

10 x 10cm

MATERIALS

Made from borosilicate glass.
