

Avocado Vase

Manufacturer: **Ilex Studio**

£42

DESCRIPTION

Avocado Vase by **Ilex Studio**.

Grow your own Avocado tree with the minimalist glass vase. Its rationalised design with a cradling lip simplifies the seed's growing process, removing the need to awkwardly balance it with toothpicks. Watch the seed grow through the glass, developing into a luscious houseplant. It is an engaging and educational project for adults and children alike.

The refined design comes with a 36-page handbook to teach you how to care for your plant, offering key information on germinating, pruning and light.

The Avocado vase is made from borosilicate glass and is available in clear or rose pink finish. All Ilex Studio's packaging is made from recycled card.

DIMENSIONS
