

In Vitro Unplugged table lamp, 2021

£750

DESCRIPTION

In Vitro Unplugged table lamp by **Philippe Starck** for **Flos**.

The In Vitro Unplugged lamp has the freedom to illuminate any space, thanks to the lightweight design and silicone handle. The frame is refined, without any plugs and cables, and encapsulates the light source. The diffuser captures the soft light and reflects it down and out.

Dimmable at the touch of a button.
