

Computer Brush

Manufacturer: **Iris Hantverk**

£20

DESCRIPTION

Computer Brush by **Iris Hantverk**.

The Swedish company Iris Hantverk was founded in the late nineteenth century, fast establishing itself as the country's foremost manufacturer of traditional brushes. It continues to produce beautifully made, functional household goods using premium natural materials.

Iris Hantverk is also significant for its commitment to social enterprise: the craftsmen and women who produce Hantverk products are visually impaired.

Maintain a pristine workstation with this computer keyboard brush made of oak with two sets of natural horsehair bristles. The short, dark bristles allow you to sweep crumbs and dust from between the keys of your keyboard, while the long, light bristles are soft enough to sweep the computer screen without generating static electricity.

DIMENSIONS

11w x 1.5d x 12cmh

MATERIALS

Made of oak with two sets of natural horsehair bristles.
