

## Pumice stone, 2017

Manufacturer: **Iris Hantverk**

£6

## DESCRIPTION

**Pumice Stone** for **Iris Hantverk**.

The Swedish company Iris Hantverk was founded in the late nineteenth century, fast establishing itself as the country's foremost manufacturer of traditional brushes. It continues to produce beautifully made, functional household goods using premium natural materials.

Iris Hantverk is also significant for its commitment to social enterprise: the craftsmen and women who produce Hantverk products are visually impaired.

A gentle abrasive, this pumice stone can be used to exfoliate dry skin, leaving it smooth and rejuvenated.

The conveniently attached rope allows the pumice to be hung up when not in use.

## DIMENSIONS

Size may vary due to natural variation. Approx. 5-8cm diameter.

## MATERIALS

100% natural pumice stone made from volcanic rock.
