

Isokon Gull

Designer: **Egon Riss**

Manufacturer: **Isokon Plus**

£195

DESCRIPTION

Isokon Gull by **Egon Riss** for **Isokon Plus**.

An iconic design, the Isokon Gull is a bookstand which offers the flexibility to be placed on any surface around the home. The smaller sibling of Egon Riss's Penguin Donkey, the Gull's sculptural form is reminiscent of a bird.

Only 15 pieces were originally produced before the Second World War prevented further production in 1939 due to shortages of plywood. Isokon Plus reintroduced this design to their collection in 2020.
