

Isokon Stool

Manufacturer: **Isokon Plus**

~~Was £648~~ Now £550

DESCRIPTION

Isokon stool by **Isokon Plus**.

The light, yet sturdy Isokon Stool was first seen in the Isobar restaurant and club at the Isokon Building in the 1930s. Back in production by Isokon Plus, the Isokon Stool is made with birch plywood and is formed of a thin base with soft curves.

Please note: The tray photographed with the stool is not included.

DIMENSIONS

33w × 33d × 45cmh

MATERIALS

Made from birch plywood.
