

Long Chair, 1936

Designer: **Marcel Breuer**

Manufacturer: **Isokon Plus**

£2,340

DESCRIPTION

Long Chair by **Marcel Breuer** for **Isokon Plus**.

The Long Chair's design allows the weight of the person sitting on it to spread across a larger surface area giving the chair quality comfort and stability. Advertised originally in 1936 as the chair that provides "relaxation to every part of the body, immediately creating a feeling of well-being", the lounge chair will add a minimalist touch with uncompromising comfort to any modern home.

The Long Chair is considered one of the most important pieces of furniture to emerge from the inter-war Modern Movement and it is in the permanent collections of several internationally renowned museums including the V&A.
