

Helios Cushion

Manufacturer: **Johanna Gullichsen**

£96

DESCRIPTION

Helios Cushion by **Johanna Gullichsen**.

This cushion, crafted from a durable, double-sided furnishing fabric, is designed and woven in Finland. The fabric is a modern interpretation of traditional Finnish textiles and has a gentle, rhythmic pattern of lines that evoke rays of sunlight.

Named after the sun king Helios, this design is an eye-catching addition to your living space, adding texture and comfort.

The covers are easily removable with a zip and are machine washable.

DIMENSIONS

50 x 50cmh

MATERIALS

100% cotton cover.

Fabric weight: 495g/m²

Duck feather filled pad cushion.

Machine washable at 60°C with a low spin. Do not use bleach. Drip-dry. Stretch back into shape and steam iron while damp, max 200°C. Cotton products will shrink 5-8%.
