£96

## DESCRIPTION

**Eos Cushion** by **Johanna Gullichsen**.

This cushion is created using a sturdy, double-sided furnishing fabric that can withstand everyday use. Its surface features thin stripes that form a subtle yet intriguing pattern reminiscent of a hazy dawn. Named after Eos, a figure from Greek mythology who brought the light of day from the east, this cushion will add a touch of texture and softness to your living space.

The covers are complete with zips, making them easy to remove for cleaning.
