DESCRIPTION

Jube Pendant by Favaretto and Partners for Vistosi.

The Jube pendant light, designed in 2017, consists of two blown glass shapes in different colours that overlap to create different hues. As the glass has been cut very precisely, by means of water jet cutting, the two glass parts look like a single piece.

SP S light source: built-in LED 8W, 2700K, phase-cut dimming.

All other light sources: built-in LED 13W, 2700K, phase-cut dimming.

Also available with push dimming and 3000K warmth; please enquire **here** for details.
