

Tate Otama soup ladle

Designer: **Mikiya Kobayashi**

Manufacturer: **Kaiko**

£21

DESCRIPTION

Tate Otama soup ladle by **Mikiya Kobayashi** for **Kaiko +d.**

The Tate Otama soup ladle has been designed by Mikiya Kobayashi to stand independently, taking up less space in the kitchen. The elegant ladle features a flat base, allowing it to stand with a traditional internal curve to easily scoop food. The ladle comes with a practical small dish to sit upon, protecting surfaces from mess.

DIMENSIONS

7.2w x 8.2d x 29.8cmh

MATERIALS

Available in black.

Made of nylon with 15% glass fiber; PBT (base only).

Temperature limit: Ladle 222°C, dish 120°C.
