DESCRIPTION

Moby 1 Table Lamp by **Birgitte Due Madsen + Jonas Trampedach** for **Karakter**.

The Moby Table Lamp from Danish designers Birgitte Due Madsen and Jonas Trampedach for Karakter offers a beautifully sculptural and contemporary lighting solution. The soft illumination perfectly juxtaposes the strikingly futuristic form, and once lit, the warm glow lights the cavity of the body to draw the eye towards the soft organic curves.

Designed in 2015, and originally cast in plaster, the design was then translated into a more durable matte acrylic material - allowing for a silky-smooth appearance and touch.

Birgitte Due Madsen and Jonas Trampedach were awarded the prestigious Silver Hetsch medal in 2016 for Moby, the highest recognition available from the Danish Art and Crafts Movement of 1879.
