DESCRIPTION

Triangle Stool by **Aldo Bakker** for **Karakter**.

Created by Dutch designer, Aldo Bakker, in 1966, the Triangle stool is formed from 12 triangular elements, each cut to perfectly fit together like a jigsaw. Suitable used as a side table, stool, or bedside table, Triangle is a versatile and multi-use piece that adds a touch of geometric harmony to any interior setting.

The precise, sharp corners soften and patina with time, ensuring it only becomes more beautiful with time.
