### DESCRIPTION

**Kilt Sideboard 137** by **Claesson Koivisto Rune** for **Asplund**.

Honouring their Nordic heritage, Asplund creates contemporary furniture in collaboration with celebrated Swedish designers and architects. Their simple, versatile and high-quality designs make for considered, functional living and working.

Part of the extensive Kilt series, the Kilt sideboard 137 features three doors and one removable shelf behind each door. Inspired by the principles of the architectural theory 'The Golden Section', the grid-like tartan pattern hides both doors and drawers.

As standard, the back panel of the Kilt cabinet has openings for both cables and ventilation and is, therefore, suitable for use with electronic devices.

This model is available in a width of 137cm and has three doors with one removable shelf behind each door. From right to left, doors measure 37, 37 and 62cm in width.
