Manufacturer: **Kinfill**

£15

### DESCRIPTION

**Ceramic Soap Tray by Kinfill.**

Designed in collaboration with Dutch ceramist Marieke van Heesbeen, the form of the Ceramic Soap Tray was inspired by Kinfill's unique halo-shaped soap bars.

Through playful experimentation, van Heesbeen sought to achieve a balance between the form of the soap and the tray, resulting in a joyful design that combines functionality with artistic expression. The curved design securely holds the soap in place and keeps it dry between uses, extending the lifetime of your soap while minimising environmental impact.

Kinfill is a B-Corp Certified company that produces cruelty-free products in the Netherlands using natural ingredients and sustainable materials.
