

CLK 151 Dinner Plate

Manufacturer: **Kinto**

~~Was £45~~ Now £38

DESCRIPTION

CLK 151 Dinner Plate by Kinto.

The Hasami region's sandstone, rocks, and Amakusa porcelain clay are blended to craft the CLK-151 Dinner Plate, revealing a raw yet refined character with a subtly revealed rough texture underneath the serene glaze.

The use of porcelain clay guarantees remarkable durability, while iron in the sandstone interacts with the glaze, producing captivating and nuanced expressions.

DIMENSIONS

25dia x 2cmh

MATERIALS

Made of glazed porcelain from sandstone soil sourced from Hasami Town, Nagasaki Prefecture, Japan.

Microwave and dishwasher safe.

Available in beige.
