

## CLK 151 Small Plate

Manufacturer: **Kinto**

**£11.50**

### DESCRIPTION

**CLK 151 Small Plate** by **Kinto**.

A testament to the artistry of the Hasami region, the CLK-151 Small Plate is crafted from a unique blend of sandstone, rocks, and Amakusa porcelain clay. Complete with a serene glaze that gently reveals a subtle rough texture beneath, this plate showcases a raw yet refined character. The small plate is the perfect size and depth for serving oils and condiments, featuring a rounded inner base.

With the durability of porcelain clay and the captivating interplay between iron and glaze, this plate offers both lasting quality and captivating expressions.

### DIMENSIONS

10dia x 1.5cmh

### MATERIALS

Made of glazed porcelain from sandstone soil sourced from Hasami Town, Nagasaki Prefecture, Japan.

Microwave and dishwasher safe.

Available in beige.
