

Unitea Non-Slip Tray

Manufacturer: **Kinto**

£13

DESCRIPTION

Unitea Non-Slip Tray by **Kinto**.

Kinto's Unitea family is a collection of gently curved accessories designed to enhance the tea drinking experience.

While the teapot and mugs in the collection are made of transparent glass, the Unitea Tray is made of willow plywood, bringing warmth to the table. The tray is finished with a special coating to stop items from slipping around when carried.

DIMENSIONS

21w x 14.5d x 1.2cmh

MATERIALS

Made of natural willow plywood with urethane coating.
