DESCRIPTION

Tulip Coffee Table | Oval by **Eero Saarinen** for **Knoll**.

A classic design from 1957, the timeless Saarinen Collection of tables are made from the highest quality materials with exacting attention to detail. Known as the Tulip table due to its delicately flared base, each table is expertly manufactured in a multi-stage process to ensure the highest standards are met.

Taking five years to develop, Eero Saarinen designed the iconic base to abolish the "slum of the legs" that existed under tables and chairs. The resulting pedestal base is elegant while practical, unifying the collection of dining tables, coffee tables and chairs.
