DESCRIPTION

Tulip Side Chair by **Eero Saarinen** for **Knoll**.

An icon of modern design, Eero Saarinen's Tulip Chair was designed in 1956 as part of the Pedestal collection - a range of furniture with simplified designs.

With its distinctive pedestal design and a contoured seat crafted from moulded fibreglass, the chair displays a sleek and organic form reminiscent of a tulip flower, hence its name.

The renowned chair holds place in the Museum of Modern Art in New York's collection.
