DESCRIPTION

Tulip Armchair | Fully Upholstered by **Eero Saarinen** for **Knoll**.

Eero Saarinen, a Finnish-American architect and designer, designed the Tulip Chair in 1956 as part of his Pedestal Collection. The collection aimed to simplify design, and the Tulip Chair embodies that idea perfectly. The Tulip Chair has since become a symbol of modern design.

The chair's unique pedestal design, combined with a contoured seat made of moulded fibreglass, gives it a sleek, organic shape that resembles a tulip flower - hence its name.
