

## F. Knoll Credenza | New Edition

Designer: **Florence Knoll**

Manufacturer: **Knoll**

£6,852

### DESCRIPTION

**Florence Knoll Credenza - New Edition** designed by **Florence Knoll** for **Knoll**.

When Florence Knoll revolutionised private office design by replacing the executive desk with a table, she needed a place for all the filing that had traditionally lived in desk drawers. Her solution, executed with typical Florence Knoll elegance, was the low credenza. The iconic design, created in 1961, works as well in the dining room as it does in the office.

**Please note** - the pricing example shown is for a Florence Knoll Credenza - New Edition **with glass shelves**, please enquire for the price of the veneer shelves.

Material samples are available to view at our shop and showroom.
