

F. Knoll High square table, 1954

Designer: **Florence Knoll**

Manufacturer: **Knoll**

£3,036

DESCRIPTION

Florence Knoll Square High table designed by **Florence Knoll** for **Knoll**.

The Florence Knoll Tables, designed to furnish the new interiors of postwar America, is a scaled-down translation of the lines, gestures and materials of modern architecture. Consistent with all of her designs, the table has a spare, geometric presence that reflects the rational design approach Florence Knoll learned from Mies van der Rohe.

Pricing example is for a **square table**, as seen on the main image. Two sizes of rectangular tables are also available; please inquire for details.

DIMENSIONS

140w x 140w x 72cmh

MATERIALS

Frame in rectangular and square welded steel in a polished chrome finish. Tabletop in glass, wood or marble.
