

## F. Knoll Rectangular Table

Designer: **Florence Knoll**

Manufacturer: **Knoll**

£1,152

### DESCRIPTION

**Florence Knoll rectangular low table** by **Florence Knoll** for **Knoll**.

The collection was designed in 1954 to furnish postwar America's interiors. These low side or coffee tables have clean and geometric lines, in keeping with the design approach Florence Knoll learnt from Mies van der Rohe. Like so many of Florence Knoll's groundbreaking designs, they have become modern classics.

Please view range for other sizes.

### DIMENSIONS

114w x 57d x 43cmh

### MATERIALS

These low tables are available with various finishes and top options. Frame in steel in polished chrome or painted black finish. Tabletop in clear or frosted glass, laminate white or black, or marble in 6 different finishes.
