DESCRIPTION

Florence Knoll Relax Untufted Sofa by Florence Knoll for Knoll.

The Knoll Relax collection stays in line with Florence Knolls' design philosophy. The designer always approached furniture design with the bigger picture in mind. When she designed buildings, she ensured each furniture piece fit into the greater whole — the room, the floor, the building. She scaled down the rhythm and elements of modern architecture while humanizing them through colour and texture.

The collection was introduced by Knoll to celebrate the designer's 100th birth anniversary. Clearly derived from her favourite mentor, Mies van der Rohe, the sofa offers the same spare, elegant proportions as the designer's classic furniture collection with now a softer and deeper touch.

The sofa is available as a two-seater and a three-seater. Also available as a one-seater armchair [here](#).

Please note: When upholstered in Eva fabric collection, there will be a lead time of 12-14 weeks.
