

F. Knoll Square Table

Designer:**Florence Knoll**

Manufacturer:**Knoll**

£744

DESCRIPTION

Florence Knoll square low table by **Florence Knoll** for **Knoll**.

The collection was designed in 1954 to furnish postwar America's interiors. These square low side or coffee tables have clean and geometric lines, in keeping with the design approach Florence Knoll learnt from Mies van der Rohe. Like so many of Florence Knoll's groundbreaking designs, they have become modern classics.

Please view range, for other sizes.

DIMENSIONS

Small square table: 60w x 60d x 43cmh

Medium square table: 75w x 75d x 48cmh

Large square table: 90w x 90d x 48cmh

MATERIALS

These low tables are available with various finishes and top options.

Top: 15mm thick polished plate glass; or 20mm lacquer or marble, coated with transparent polyester to help avoid use-associated stains.

Base: Frame and legs, welded steel in polished chrome or painted black finish.
