Cesca Chair, Handwoven

Designer:**Marcel Breuer**

Manufacturer:**Knoll**

£1,536

DESCRIPTION

Cesca Chair, Handwoven by **Marcel Breuer** for **Knoll**.

Designed by Marcel Breuer in 1928, the Cesca chair combines traditional craftsmanship with industrial techniques and materials. An iconic piece recognised for its cantilevered form and cane seat, this version of the chair is meticulously handwoven, honouring the traditional design of the seat.

The comfortable seat is suited for classic and contemporary settings and is available fully upholstered or with a machine-woven seat at a lower cost. Please see the related products section below.

DIMENSIONS

46w x 58d x 80cmh

MATERIALS

Hardwood beech seat/back frames and arms with natural clear lacquer or matte ebonised finish. Machine or handwoven cane inserts.
