

Cesca Chair | Machine Woven

Designer: **Marcel Breuer**

Manufacturer: **Knoll**

£630

DESCRIPTION

Cesca Chair | Machine Woven by **Marcel Breuer** for **Knoll**.

Experience the marriage of traditional craftsmanship and modern industrial materials with our Marcel Breuer-inspired chair. This iconic piece of furniture is crafted using tubular steel, making it a sensation worldwide. The cantilevered design takes advantage of the unique properties of steel, providing unmatched flexibility and comfort. Adding to its beauty, the chair features machine-woven cane inserts and a sturdy beech frame. Our Marcel Breuer-inspired chair is the perfect addition to any modern living space, combining elegance and functionality in a single design.

Quickship: 3 - 4 weeks delivery available for the armless version in both finishes.

DIMENSIONS

46w x 58d x 46/80cmh

MATERIALS

Hardwood beech seat/back, frame and arms with natural clear lacquer or matte ebonised finish. Machine woven cane inserts.
