

Barcelona Chair

Designer: **Mies van der Rohe**

Manufacturer: **Knoll**

£7,320

DESCRIPTION

Barcelona chair by **Mies Van Der Rohe** for **Knoll**.

Designed by Mies Van der Rohe for the 1929 International exhibition's German pavilion, the instantly recognisable Barcelona chair is the perfect example of the designer famous saying - "less is more".

Crafted from a robust and smooth curved frame, the seat is a tribute to the marriage of modern design and quality craftsmanship.

DIMENSIONS

75w x 77d x 43/77cmh

MATERIALS

Lounge chair with base in steel hand-ground and hand-buffed to a mirror finish.

Seat belting straps made from cowhide, with seat and back pad in urethane foam with dacron polyester fibrefill, upholstered with 40 individual panels of leather which are hand-cut, welted and tufted with leather and buttons made from a single hide.
