

## MR adjustable chaise, 1927

Designer: **Mies van der Rohe**

Manufacturer: **Knoll**

£11,268

## DESCRIPTION

**MR adjustable chaise** by **Mies Van Der Rohe** for **Knoll**.

The MR lounge series are some of Mies van der Rohe's earliest steel designs inspired by the steel creations of fellow Bauhaus alumni Marcel Breuer. Believed to have drawn on the form of 19th century iron rocking chairs, the relaxed adjustable MR chaise longue provides support to head, back, legs and arms.

Please view the pdf in the downloads section to see the complete list of leather available. Contact us for samples and more information.

## DIMENSIONS

65w x 179d x 68/90cmh

## MATERIALS

Curved polished chrome tubular frame with cushioned upholstery available in leathers of the collection.
