

MR Armchair

Designer: **Mies van der Rohe**

Manufacturer: **Knoll**

£6,660

DESCRIPTION

MR armchair by Mies Van Der Rohe for Knoll.

The MR lounge series, designed in 1927, are some of Mies van der Rohe's earliest steel designs inspired by the steel creations of fellow Bauhaus alumni Marcel Breuer. Believed to have drawn on the form of 19th century iron rocking chairs, the relaxed MR armchair forms part of the collection including a chaise, armchair, and stool.

DIMENSIONS

65w x 97d x 44/83cmh

MATERIALS

Curved polished chrome tubular frame with cushioned upholstery available in leathers of the collection. Please contact us for samples and more information.
