

MR Low Table

Designer: **Mies van der Rohe**

Manufacturer: **Knoll**

£1,200

DESCRIPTION

MR Low Table by **Mies Van Der Rohe** for **Knoll**.

Inspired by the innovative style of Bauhaus master Marcel Breuer, Mies van der Rohe's MR collection blends classic modern shapes with a groundbreaking use of tubular steel. Initially created from 1927 to 1929, the collection transformed industrial materials into art.

The simple glass-top tables come in three different finishes. While the base was originally offered in chrome, Knoll introduced three matte colours to the collection in 2024.

DIMENSIONS
