

Matic Square Storage

Designer: **Piero Lissoni**

Manufacturer: **Knoll**

£7,212

DESCRIPTION

Matic Square Storage by **Piero Lissoni** for **Knoll**.

In 2022 Knoll introduced the stunning Matic Square Storage by renowned designer Piero Lissoni. This sleek and refined piece is the perfect addition to any modern collection and can be used on its own or combined with other items in the Matic range to create a variety of beautiful design configurations. Featuring a luxurious marble top and a sophisticated tonal palette, this storage unit brings a delicate touch of interest to any minimalist aesthetic.

Featuring clean, rigorous volumes and materials of the highest quality, the storage unit is available with an external structure in three colours – teal, charcoal and light grey – with tops in Grey, Statuarietto or Marquina marble. Visible wooden parts, internal drawers and tray come in natural oak finish.
