Designer: **Piero Lissoni**

Manufacturer: **Knoll**

£2,280

## DESCRIPTION

**KN05 Sofa** by **Piero Lissoni** for **Knoll**.

The KN05 settee, designed in 2019, is part of the KN collection, a family of chairs designed to combine refined elegance with supreme comfort. Featuring a soft, curved shell, the KN05 has a distinctive and recognisable design. As the newer version in the collection, it offers the utmost comfort and relaxation.

The sofa is an excellent choice to complete and add a statement to corners within the home. Being a versatile piece, it can be used in contracts projects to fill waiting rooms, office settings and hotel lobbies. It is coordinated with the rest of the KN products and can be added together to create a collection.

Lissoni said of the new collection:

*"This is a seating collection, a family of chairs with a modernist spirit, for which I have applied my usual proportions. In this project, I have set out to reflect the entire history of Knoll."*
