

Colour the Organs T-shirt Kit

Manufacturer: **Koa Koa**

~~Was £20~~ Now £6

DESCRIPTION

Colour the Organs T-shirts kit by Koa Koa.

Fun and educational, the Koa Koa Colour the Organs T-shirt kit is an entertaining way for kids to learn about human anatomy.

Just spread out the design of the T-shirt on a flat surface and colour each organ with the five fabric felts pens provided in the kit.

Learn the names of important organs, their functions and the connection between organs and emotions

Suitable for children of 8 years and over.

MATERIALS

Included in the kit:

- A T-shirt with silk screen printed pattern of human organs
- 5 fabric colour pens
- Illustrated brochure on organs and anatomy

The illustrated brochure with instructions in English, French, Spanish, German and Dutch.
