

Make a Doorbell kit

Manufacturer: **Koa Koa**

£29

DESCRIPTION

Make a Doorbell kit by **Koa Koa**.

Create your very own crank-doorbell with the Make a Doorbell kit by French start-up Koa Koa. Each kit contains all the cogs, gears and bells required to build a hand-powered doorbell.

On a mission to combine fun and learning, the Make a Doorbell kit clearly describes the operation of gear trains, the different types of gears, and the transmission of movement into sound. Ring before entering!

Suitable for children of 6 years and over.

DIMENSIONS

20cm x 30cm x 6cm

MATERIALS

Everything is included (even the glue) and the wooden parts are paint-friendly, meaning it can be decorated before being put up on the door.
