

Miau Armchair

Designer: **GamFratesi**

Manufacturer: **Koyori**

£1,728

DESCRIPTION

Miau Armchair by **GamFratesi** for **Koyori**.

Designed by the Danish-Italian design studio, GamFratesi, the Miau Armchair combines high-precision wood bending with skilful wood carving techniques.

The backrest and arms have been crafted from a single bentwood, providing a handsome display of uniform grain and exceptional durability. Both the contoured seat and backrest have been curved three-dimensionally to ensure maximum comfort whilst seated.

Available in oak or walnut, the inviting dining chair is also available for purchase with an upholstered seat. Please see related products for more details.

The walnut finish is available for quickship.
