DESCRIPTION

Miau Oval Table by **GamFratesi** for **Koyori**.

The Miau Table embodies simplicity with its sleek seamless blend of four legs and tabletop. The flawless connection between the tabletop and legs relies on precise cutting and advanced joining technology, ensuring smooth integration. Meticulously crafted, the legs exhibit an elegant tapering from top to bottom, skillfully carved from solid wood, accentuating the beautiful grain expressions in the material. The manufacturing process involved numerous prototypes and rigorous testing to determine the optimal thickness, guaranteeing both strength and the table's enduring shape.

Available in oak or walnut, the inviting dining table is also available in a rectangular shape in three different sizes. Please see related products for more details.
