

Miau Armchair, upholstered

Designer: **GamFratesi**

Manufacturer: **Koyori**

£1,550

DESCRIPTION

Miau Armchair, upholstered by **GamFratesi** for **Koyori**.

A blend of Scandinavian and Japanese design aesthetics, the Miau Armchair combines high-precision wood bending with expert wood carving techniques.

The wooden seat and backrest have been curved three-dimensionally to ensure maximum comfort whilst seated and to offer an inviting presence. The arms and backrest have been crafted from a single bentwood delivering an attractive display of uniform grain and exceptional durability.

The dining chair is available in two natural finishes and is available for purchase without upholstery. Please see related products for more details.

DIMENSIONS

55w x 47d x 46/72cmh

MATERIALS

Available in oak or walnut.

Available with upholstery in the selected finishes in the following fabrics: **Remix, Savanna, Steelcut Trio, Divina Melange, Elmosoft Leather.**

Please see PDF download section for more information on upholstery options.
