

## Nei Rectangular Table

Designer: **Ronan and Erwan Bouroullec**

Manufacturer: **Koyori**

£4,924

### DESCRIPTION

**Nei Rectangular Table** by **Ronan & Erwan Bouroullec** for **Koyori**.

The Nei tabletop's shape and the elegant curve of its legs synergistically combine to showcase the table's inherent beauty. When observed from above, the gap between the tabletop and the legs forms a visually pleasing parallel curve. Such a design required meticulous cutting techniques and high-precision joining methods for each wooden component. Furthermore, the table possesses both aesthetic allure and remarkable durability.

Available in four sizes in urethane finish oak wood. Also available as a round-shaped table.
