

Usurai Rectangular Table

Designer: **Ronan and Erwan Bouroullec**

Manufacturer: **Koyori**

£3,190

DESCRIPTION

Usurai Rectangular Table by **Ronan & Erwan Bouroullec** for **Koyori**.

The Usurai table showcases a unique tabletop adorned with a stunning striped pattern, skillfully crafted through the use of the cross-cut lamination technique. The custom-made plywood used in its construction is meticulously produced at a factory with a wealth of expertise in manufacturing moulded plywood furniture. The tabletop is expertly supported by four legs positioned at the corners, eliminating the need for any additional components beneath the table. This simplistic structure not only emphasizes the artistry involved but also ensures a seamless blend of aesthetics and functionality in the final product.

Available in urethane finish oak, the table is also available in five different sizes. Also available as a round table, please see related products for more details.
